Compliance & Dispute Rights	FMC 46 CFR Part 541

NOTICE OF CONTESTED DAYS

The billed party disputes charges for 2025-10-14 and 2025-10-15. On those dates, container retrieval was not reasonably possible due to terminal unavailability and U.S. Customs hold. Under FMC's incentive principle and 46 CFR Part 541, charges incurred when pickup is not realistically possible are not payable.

Requested credit: USD \$320.00.
